To avoid loss of receipts in transit and make it quicker for the Accounts Clerk to verify the invoice. Use a blank piece of paper to attach all receipts in the same order as reflected on the invoice. Write the applicable line number from the invoice next to or on the receipt.

Make sure the invoice contains receipts that ***do not overlap a fiscal year***. A fiscal year is from 1 April to 31 March. Placing a receipt for 15 March 2018 with a receipt dated 10 April 2019 on the same invoice cannot be paid. The Accounts Clerk will be required to contact the Vendor instructing them to issue a separate invoice for each fiscal year.
